### Violin Tips: How to Become a Better Violinist With Itzhak ...

Part of the reason that students have difficulty with 2nd position is that all of the fingerings are just one finger off of 1st position. Usually 2nd position is played to avoid crossing strings in music and to play an extended fourth finger. 2nd position is located in between 1st and 3rd position. To play in this position put your 1st finger where your 2nd finger would normally play in first position.
